Presentation – The display of the products on tables and throughout the booth. Vendor

Style – The overall friendliness of the vendor. Booth Setup

- Vendors need to have displays that are eye catching and thoughtfully designed. For both appearance and safety reasons, we recommend use of a professional grade 10x10' tents with full internal frames (vs recreational tents that have only perimeter frames).

Commercial Products – Our focus is on artisan products that are designed and created by the vendor.

Product Lines – The Market management makes judgements about the appropriate number of vendors within a product category.

- This assessment is based on the number of total available spaces, etc., and how many vendors are currently vending any one category of product. We limit the number of similar products so that each vendor has the opportunity to be successful.

PRODUCT TYPES -

We are looking:

- ,Jewelry all types
- Unique products – We're interested in products that are unusual and not readily available in stores.

- Plants & Flowers

Product Types - Prospective plant vendors are evaluated based on the unique character of their plants, and how they are different than other plant vendors already at the market. Grower Preference - Preference is given to growers versus resellers.

Crafts

Product Priorities- The primary focus of the market is related to produce, food and plants. Crafts supplement these core products and provide color and variety to the market. We do not allow any political or religious products/vendors. Product Categories - Crafts are evaluated within a respective product type (e.g. pottery, clothing, jewelry, personal care products, yard art, etc.).

- Homemade – We support crafts people and artisans at the market. As a result, crafts must be made by the vendor.
- Resale – Items offered for re-sale or are commercially produced **are not acceptable.**
- Food-Related - High quality and very unique items that are food related (e.g. cookbooks, kitchen utensils, table linens, aprons, etc.) may be considered, even if they are not made by the vendor.
